Criteria

- All data was pulled from the NKY MLS on 9.22.18 with a 12 month look back.
- List includes the 14 largest brokerages in NKY.
- Percentage was determined by total homes listed and the number of homes cancelled/expired. For example, Re/Max sold 696 of their 1,074 homes that they had listed during the 12 month look back. The other 378 were cancelled or expired without selling. 696 is 64.8% of 1,074
- If a company had multiple NKY offices, all offices were combined for this report.
